TESTIMONIALS

Sarah Kemp

Wedding on Sat. 21st of December, 2024

The Priest House team went above and beyond for our special day. The lead-up was easy with great communication between ourselves and Kat and Antonia. On the day Mike and his team worked tirelessly to create a relaxed and stress-free experience. We could see all the hard work and effort they had put in to ensure our day was an enjoyable experience. All staff were professional, friendly and approachable.

We would highly recommend The Priest House to anyone who would ask.

The entire experience is a happy memory and we are thankful for this.

Wedding on Thu. 31st of October, 2024

We had the most beautiful day at The Priest House!

Kat was so helpful through emails and at the meeting leading up to the day, and the day itself couldn't have gone better.

Our coordinators on the day helped so much and made the entire day stress-free for us as they had everything sorted for us! James at the bar during the reception was a good laugh and amazing to have serving us. We couldn't have had friendlier or better staff and the entire day was magical.

Our photographer loved all the spots we could take photographs as it's located right by the river and the hotel itself is a lovely backdrop for pictures. We also stayed in the bridal suite which was so big and had private breakfast with all the family which was nice to decompress after such a big day before!

No complaints, everything was amazing.

Wedding on Sun. 27th of October, 2024

From the time of booking up to the wedding, we couldn't have asked for a better team to support us.

Anytime we had a query on anything whether big or small, they'd reply quickly to our email. Kat was absolutely fantastic in helping us getting all the preparations set over the 16 months of planning. We felt more than confident that come the day, the team knew exactly what they were doing.

The day of the wedding surpassed our expectations and then some! The venue itself is absolutely beautiful. We were blessed with gorgeous weather which only enhanced the venue's essence.

They followed all the instructions left to get all our decor perfectly, exactly as we'd asked. On the day, the operations manager Michael went above and beyond to keep our day running smoothly, constantly checking in on us that we were okay and there were no issues.

The food was delicious. Everyone who came said how much they enjoyed the food. There weren't many plates with food left and the evening food disappeared quickly!

Without a doubt, it was among the best days of our lives, and part of that is due to the team at The Priest House ensuring the day ran smoothly and without incident.

Outstanding staff. Stunning Venue.
